

Computed confidence intervals at the last iteration, for different seeds/metrics

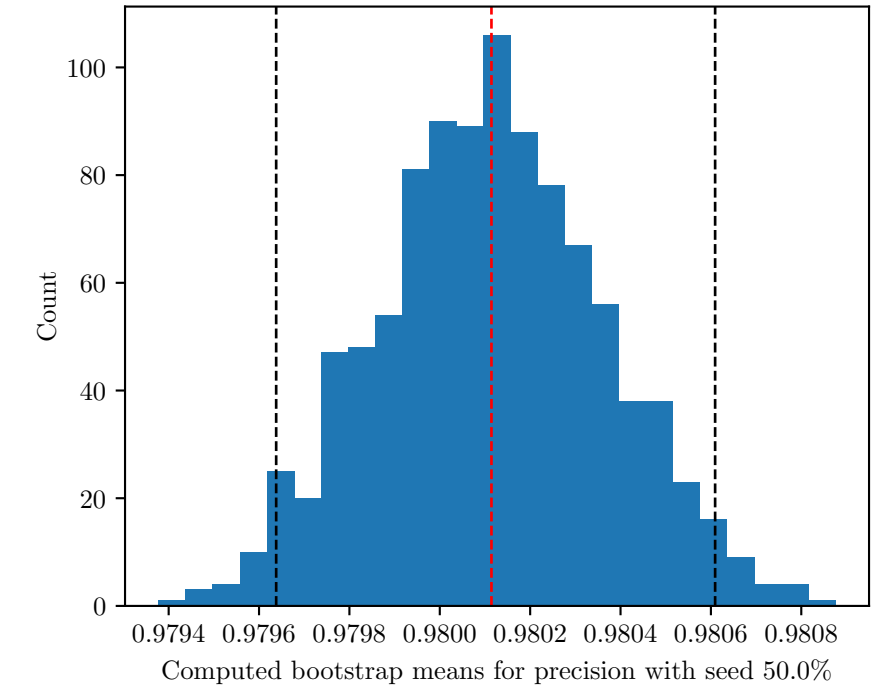

95.0 % confidence interval for Precision with 1000 samples, seed 10.0%

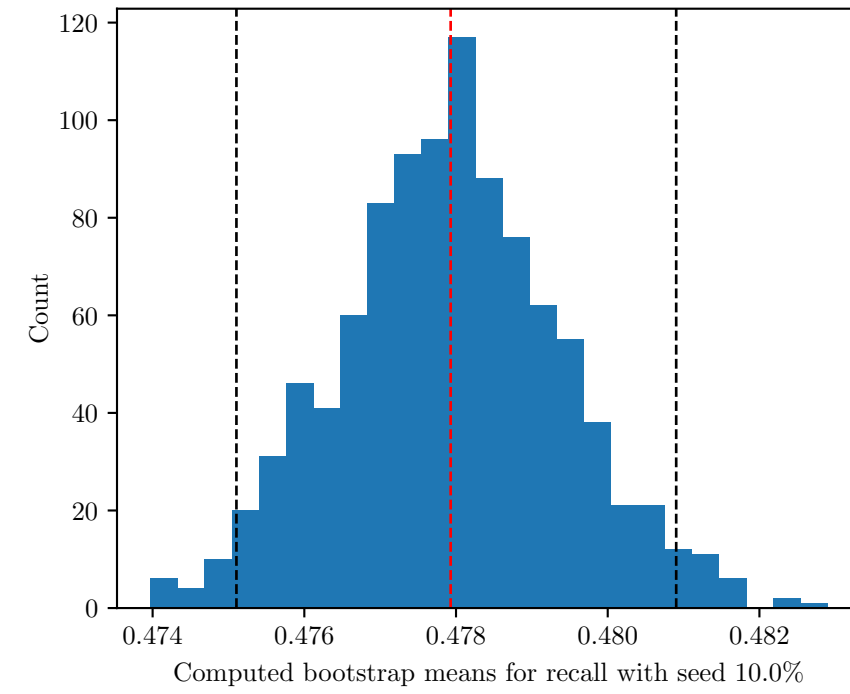

95.0 % confidence interval for Precision with 1000 samples, seed 20.0%

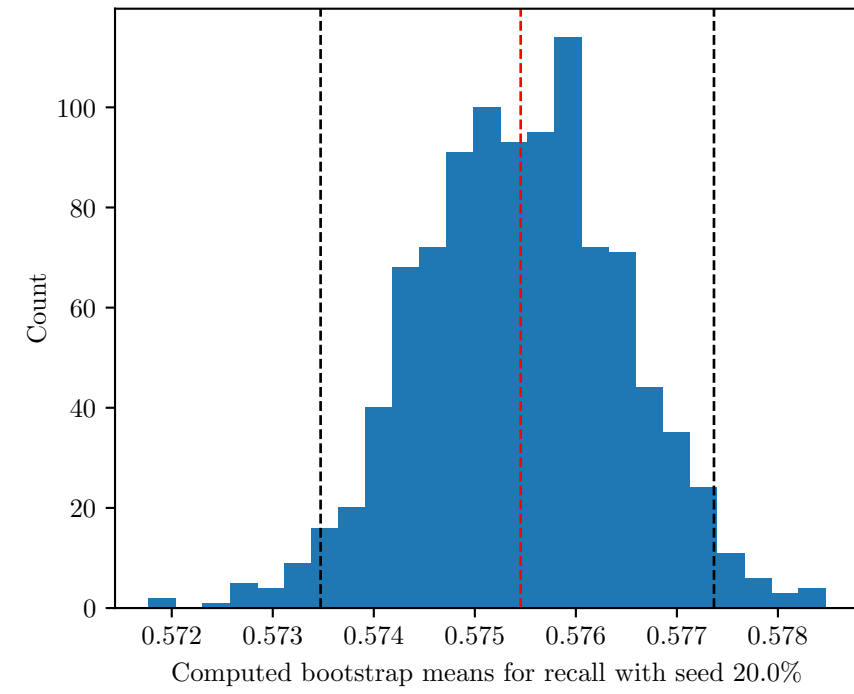

95.0 % confidence interval for Precision with 1000 samples, seed 50.0%

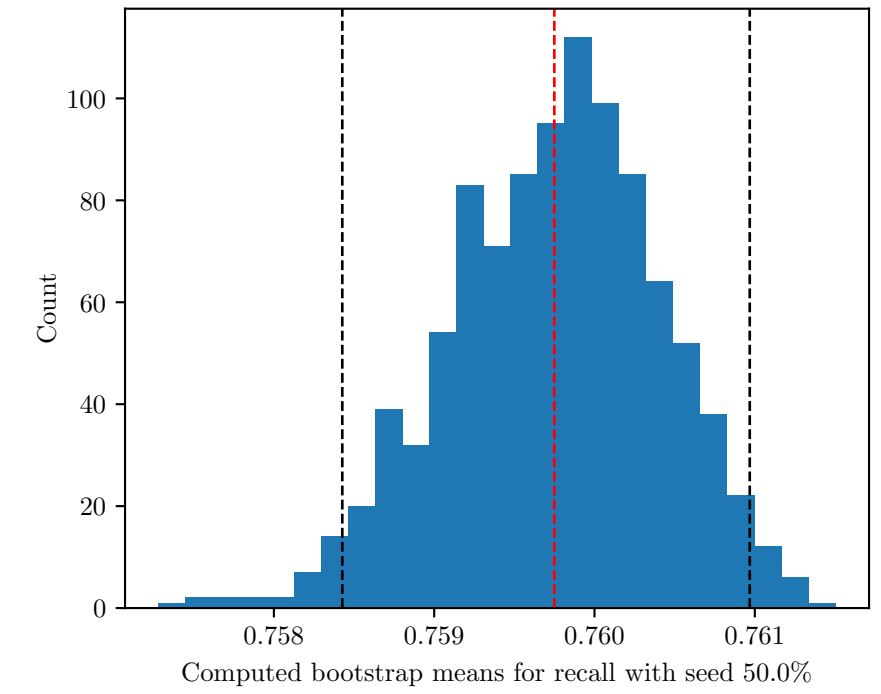

95.0 % confidence interval for Recall with 1000 samples, seed 10.0%

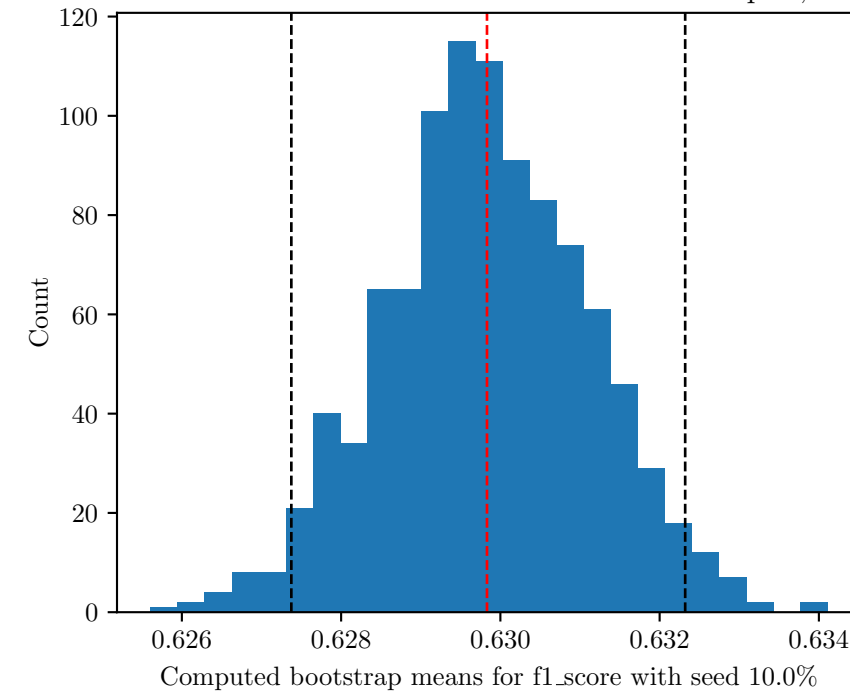

95.0 % confidence interval for Recall with 1000 samples, seed 20.0%

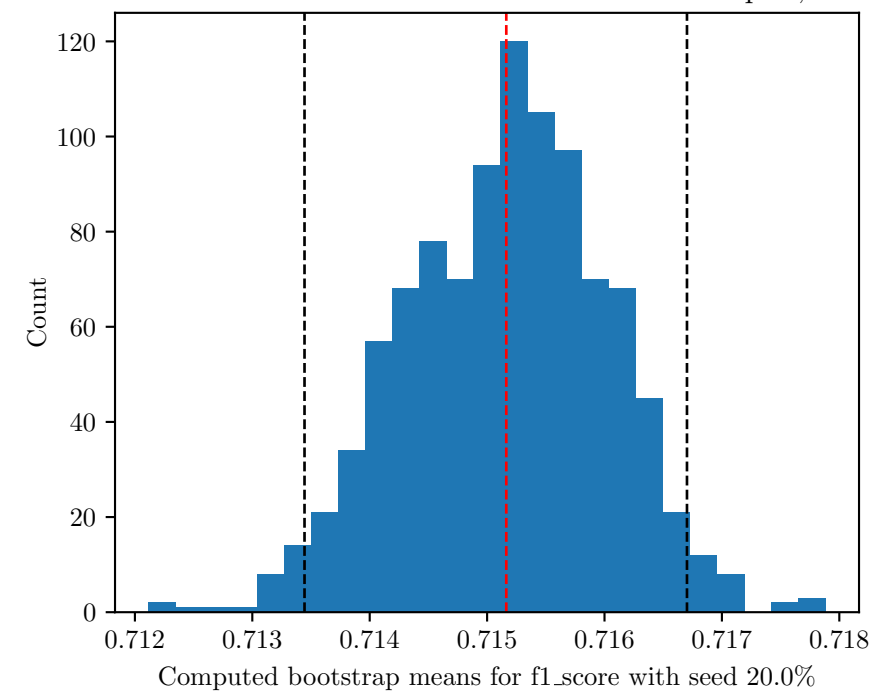

95.0 % confidence interval for Recall with 1000 samples, seed 50.0%

95.0 % confidence interval for F1_score with 1000 samples, seed 10.0%

95.0 % confidence interval for F1_score with 1000 samples, seed 20.0%

95.0 % confidence interval for F1_score with 1000 samples, seed 50.0%
